

Walter Calkin, Maryon Lodge, 41 Redington Road (1910 Directory)

Handwritten notes and possibly a list of names or addresses, which are mostly illegible due to fading and bleed-through from the reverse side of the page.

Extensive handwritten text, likely a list of names and addresses, covering the majority of the page. The text is very faint and difficult to read, appearing to be a directory listing or a set of notes related to the location mentioned in the header.
