The Chairman reports, that upon the Death of our late Annuitant, he has been about 9 to 10 of Aug^o Mr. Maryon, the P^r of the Manor, is thereby released from paying Mr. Mabel Turner 8 L yearly in p^t of the 20 L Annuity, granted by him to his wife, commencing Lady Day 1751; and that the whole 20 L Annuity, is now incumbent on the Trustees - But that, upon writing a Letter to Mr. Maryon in answer of several Truities, and acquainting him with our Circumstances, and requesting that, he would still continue to pay Mr. Turner, the 8 L a year: The P^r of the Manor, has sent a very agreeable Letter in answer, that He will comply with our request -

Ordered thereupon that Mr. Gardner & the Chairman be desired to apply to Mr. Michael Turner, to engage him to acquiesce, & to continue upon his original Security.

It was then Moved Carried That the Chairman acknowledging that he had kept a Copy of his P^r Letter to Mr. Maryon, That, he be desired to direct, that the same be transcribed into fol. 362. 363. this Book; together with a Copy of the Letter in answer from Mr. Maryon.

Ordered That the Chairman be desired, to returne our Compliments to Mr. Maryon, and to assure him, that his ready compliance, with our request, is gratefully accepted, and that we shall observe to conform to what he requires.

Mr. Wollecombe attended & delivered an Estimate for taking down, putting up, & repairing, all making good & mending defects of all the Pew in lower part of the Church except only making good & mending the Floor for 35 L -

Mr. Mael attended with an Estimate for the same under the whole of the Pew with Newcastle Stone Measuring 177 feet 2 1/2 - 53:10:0

At this Meeting the free Condition of the Steeple, occasioned by the Base Waager of Mr. Oliver the Mason, & Mr. Stephens the Mason, with the Surveyor, having carefully view'd the Masons Works, do report, that there, they beheld, several Irons may be expected to fall, & very soon, having so very insufficient bearings: Mr. Oliver had notice, two different times, to attend the Views, but he had not shew'd the least regard, nor had sent a reason, for not attending the appointment of the Trustees: And it is shew'd, that a Person attending, at this time, upon other business, with the Trustees; He declares that he heard him, say publicly, that he would make no Satisfaction to the Trustees: This affair, being well weigh'd & considered how notoriously, Oliver has broke the Contract, in using Purbeck, instead of Portland Stone & that, he is so evidently, and there being sufficient ground to apprehend, that we are intitled to, & shall recover whatever damage may accrue: Unanimously, to have the Opinion of the Attorney General, upon Mr. Oliver the Masons Contract & bad performance: And the best method is to be used, to have the Stones, which are in imminent danger of falling, to be taken down, to prevent mischief, & in such manner, as to prevent his taking any advantage: That Mr. Gardner Mr. Inzell and the Chairman be desired to apply to Mr. Paris to draw up the Case for the Court.
