

Dame Julia was the daughter of Sir Christopher Conyers, who married a daughter of William Langhorne, Lord of Hampstead Manor.

But Julia's mother was the daughter of Sir Richard Lumley. One of Julia's sons, William, was married at Hampstead in 1725 to Lady Barbara Villiers. One of her daughters, Isabella, was second wife to David, 4th Earl of Buchan - see his plaque inside Church 5, and Family Tree in note on Inside Church 4.
