

Tyler was Master of the Stationers' Company, 1672 (Park)

Lysons quotes from the Burial Register:

"Mr Evan Tyler (Prince Tyler so called) a printer was buried
Dec 15, 1682."

Park (p. 307) quotes Le Neve for full inscription, which begins
"Mors mihi lucrum", gives the surname as TYTLER, names the
executors as "Henry Teonge, Clerke, Nicholas Hardinge and
Wm Miller", and dates the tomb on 12 February 1683.
