DESCRIPTIONS (refer to Millward, position on sketch, or FS)

Millward p. 1099, t. 5

To the dear memory / of Elisabeth the youngest daughter of Sir James and Lady
 Mackintosh / who died at Brompton on the 8th of April 1823 in the 20th year of
 her age / Her parents perform the untimely duty of bearing witness on this
 tablet / that bodily sufferings long endured in the natural season of gladness /
 were so alleviated by a meek Spirit and a humble piety / that they neither
 interrupted the cultivation of her understanding / nor obscured her native gracefulness
 but rather seemed to place in a softer light the delicate propriety / which was
 the ornament of her spotless life / and to prepare her gentle virtues for a state
 more congenial to them /
