

D. must stand for Charlton Lane, Vicar 1864-73 (see XD 165),
who was grateful for his appointment by the Lord of the Manor.

Otherwise, Hampstead's memory of this 8th Baronet (1800-69), who tried for
60 years to build on the Heath, was not too sweet.

The Maryon Wilsons lived at Charlton in Kent. (More biographical material
in most histories of Hampstead.)
