

1840 Directory given Pearcey (sic), Peppiat, bricklayer,  
Hadley's Buildings. The son, 'P. Peppiat' bricklayer is  
still there in 1854 Directory.

Edward Peppiat, however, is at Albion House, Minerva Place  
(48 High St) in the 1873 Directory and at 3/4 Well Walk in 1899.  
There is no suggestion that he laid bricks.
