

William Price, fishmonger, 37 High St (1899 Directory)

37 High Street, London

William Price (1899)

London (High St. near St. Dunstons)

REPRODUCTION (taken in the year) of the original drawing

The drawing shows a building with a central entrance and two side wings. The central entrance has a pediment supported by columns. The side wings have gabled roofs. The drawing is a simple line sketch.
